Tools

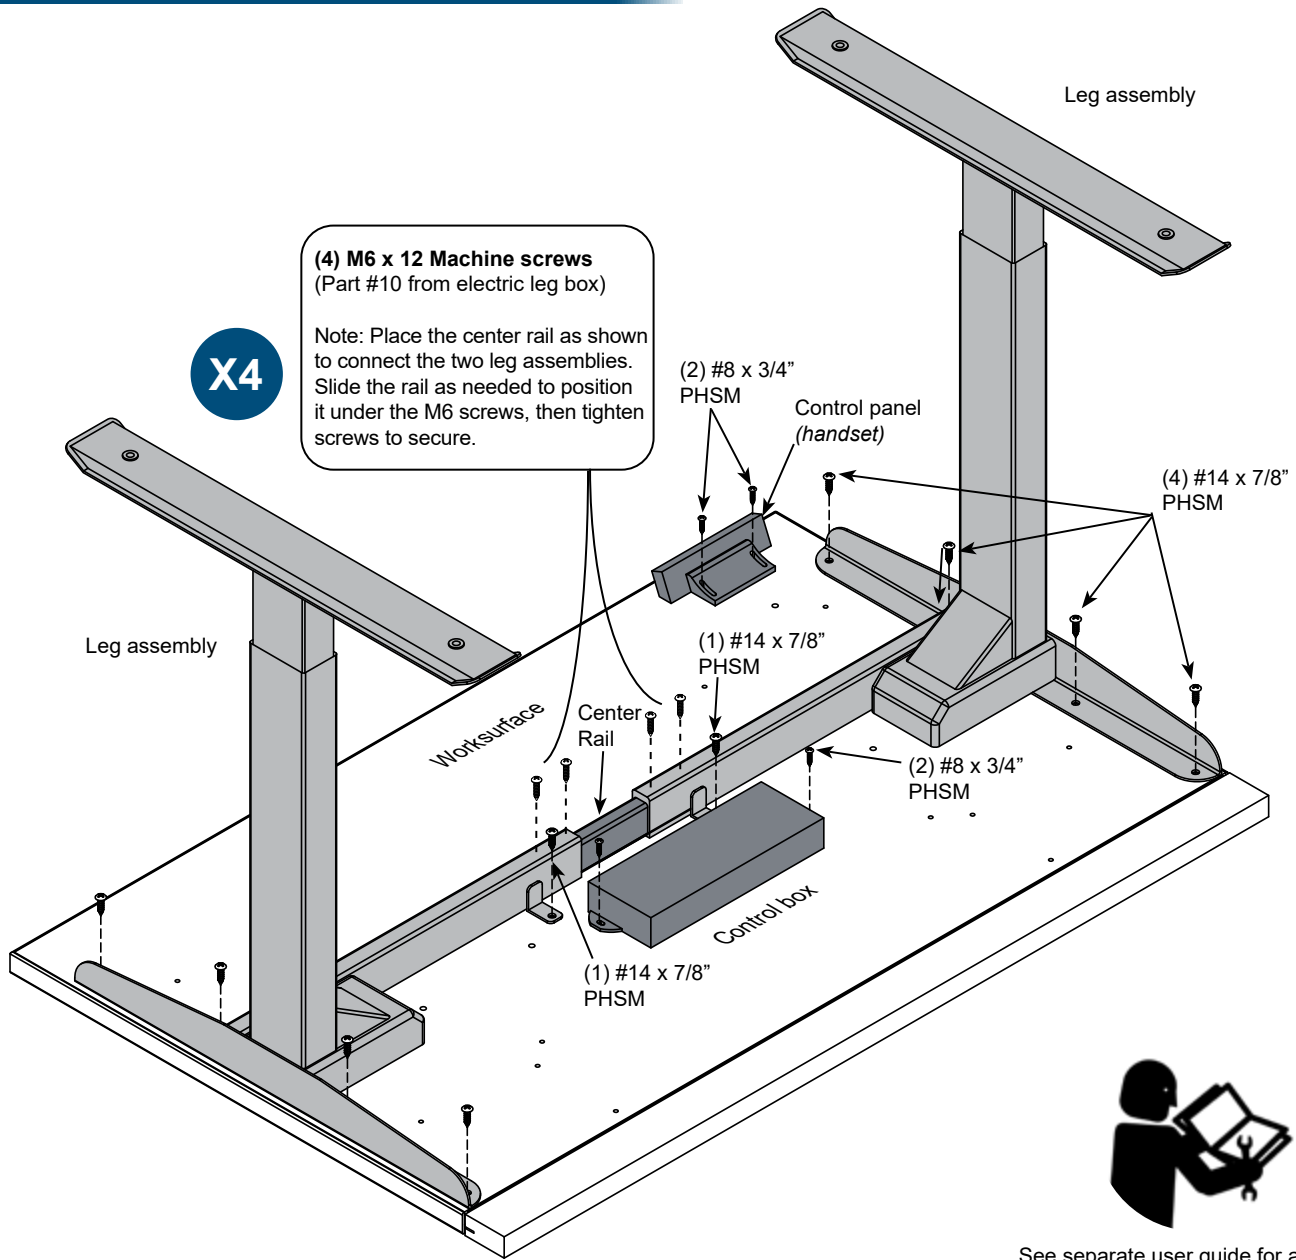

X2

Assembly tip: Do not tighten component fasteners completely until all have been installed. Keeping them loose will help with alignment between parts during assembly.

1 Attach legs to worksurface

See separate user guide for adjustable leg wiring and operational instructions.

2 Secure leg wires to worksurface

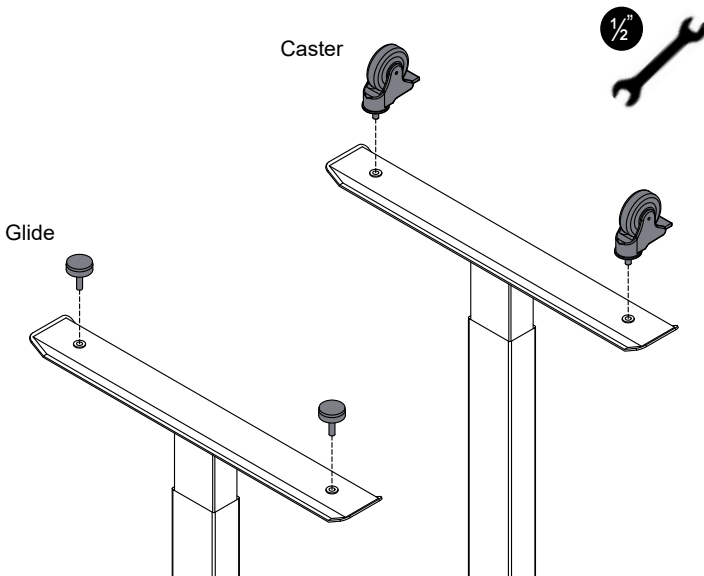

3 Attach T-supports, cord channel and chair rail

4 Install glides or casters

5 Flip desk upright

CAUTION

Do not allow the desk legs to contact the floor until the desk is completely flipped over. Side-loading of the legs could cause damage.

6 Locate desk

⚠ CAUTION ⚠

Keep desk at least 1" away from other objects to prevent pinching or collision during operation.

The power cord included is approximately 8' long. Desk should be positioned close enough to a wall outlet or power strip that provides enough slack in the cord while in operation (raising and lowering worksurface).

7 Connect power

Control panel functions

Control panel

- **Upper height limit lock:** Adjust to maximum height desired, push and hold the "M" and "UP" arrow buttons at the same time until it beeps. Release. Repeat these steps to cancel the limit.
- **Lower height limit lock:** Adjust to minimum height desired, push and hold the "M" and "DOWN" arrow buttons at the same time until it beeps. Release. Repeat these steps to cancel the limit.
- **Child lock-out:** (Disables the adjustability) Adjust to desired height. Push and hold the "UP" and "DOWN" arrow buttons at the same time until it beeps. Release. Repeat these steps to cancel.

Important Safety & Care Information

- Read this owner's manual before assembly or operation.
- Do not allow children to move the table.
- For indoor use only. Do not install or store the table where it will be exposed to moisture.
- Do not block the ventilation openings.
- Do not allow anyone to sit, stand, or climb on the table.
- Use a damp, soft-cloth, or sponge, with mild soap or detergent solution to clean dirty surfaces. Do not use harsh solvents or abrasives.
- This table is intended for institutional use. It does not have any user-serviceable parts or user-maintenance requirements. If servicing is necessary, please contact Spectrum Industries for assistance.

Warning - Relocating audio and/or video equipment to furniture not specifically designed to support audio and/or video equipment may result in death or serious injury due to the furnishing collapsing or over turning onto a child.

Warning - Death or serious injury may occur when children climb on audio and/or video equipment furniture. A remote control or toys placed on the furnishing may encourage a child to climb on the furnishing and as a result the furnishing may tip over on to the child.

General Electrical Safety:

- Keep power switches in the OFF position before plugging or unplugging from the wall outlet.
- Be sure total device / equipment load does not exceed 12-amps.
- Do not plug power cords into an extension cord.
- Inspect power cords for damage before each use. Do not use cords that are damaged.
- Unplug power cord from electrical outlet by gripping the cord-do not unplug by pulling only on the cord.
- Do not step on, drive over, drag, or place objects on power cords.
- For added safety, plug into a grounded outlet controlled by a GFI (Ground Fault Interrupter) circuit breaker.
- Damaged electrical components can create significant hazards to users and is not covered by the warranty. Repairs should always be performed by a qualified electrician.
- Electrical devices are not toys. Children are often unaware of the hazards associated with electrical devices. This table must always be used by adults or with adult supervision.

Warranty

We will make it right for you!

Thanks for choosing Spectrum! Spectrum is committed to provide complete customer satisfaction. Each of our products is manufactured from the best materials available and each product is stringently monitored throughout the production process through our P.A.C.E. program (Product Assurance to meet Customer Expectations).

We expressly warrant that Spectrum products will be of good quality and workmanship and free from defect for the period set out in the warranty from the date of delivery.
