

## Technical Specifications

	Product #
60"W - Single Station	37420
76"W - Double Station	37419

76"W Double Station - 37419

60"W Single Station - 37420

The Esports Shoutcaster Station is the ultimate command center for gaming competitions! Ample configurations provide the ideal media station to capture the attention of your audience. Multiple monitor mounting options are available including monitor arms, worksurface mount, or audience-facing to customize your station for optimal performance. The Esports Shoutcaster Station is available in two sizes and has ample space for mixers, keyboards, stream decks or whatever technology it takes to stay on top of the game. Couple that with exciting color options and smooth movement casters, and you can take the strength and energy of your team anywhere! With "Made In The USA" quality built in Chippewa Falls, WI; Spectrum Esports Shoutcaster / Broadcast Station offers effective ergonomics, ADA compliance, and a wide array of useful accessories!

Spectrum also has the capability to outfit your campus esports furniture in our Expressions colors to promote your team identity! Want a custom or team logo on your classroom esports furniture? We can do that too. No matter your budget or requirements, Spectrum has your Esports furniture solution.

## Features and Benefits

- Available in 60" and 76" wide versions
- Accommodates multiple display mounting options
- The worksurface can be adjusted between 27-30"H (during assembly)
- Twin wheel casters for easy mobility (2 locking, 2 non-locking)
- Scratch and impact-resistant high-pressure laminate worksurface
- Grommets throughout unit provide easy cord access
- Pre-drilled monitor mounting holes
- User-friendly, bullnose radiused front edge on worksurface
- Black and Steel Mesh laminates minimize glare and player distraction
- Color accents match chairs and arena / team branding
- Optional VESA mount provides flat panel monitor mounting on worksurface
- Optional monitor mount provides ability to install a large monitor on audience-side (76"W only).
- Optional audience-side logo panel is easily swappable for different teams or competitions
- Optional tray or sling provides CPU tower storage under worksurface
- Optional LED lighting kit provides custom backlighting options for corner columns
- Unit ships "knocked-down" for lower shipping costs and can be easily assembled at the final location
- Warranted to be free of all defects in materials and workmanship for 10 years
- Designed and assembled in Chippewa Falls, WI, USA

### Color Options

See p.3 and [spectrumfurniture.com](http://spectrumfurniture.com) for complete color information.

### Ordering Instructions

Spectrum has designed this product to receive the useful options shown here. To ensure your options are ordered correctly please call 1-800-235-1262.

## Construction

- The worksurfaces are constructed from 1" thick NAF (no added formaldehyde) composite board with .030" [.762mm] high-pressure laminate on one face, and a balancing backer on the opposing face
- Worksurface edges are covered with vinyl edgeband
- All metal components are finished with a scratch-resistant powder coat epoxy
- All units are shipped knocked-down (KD) in 3 boxes and require assembly
