Why Choose
Spectrum?

Spectrum sets the standards for quality, ergonomics, and reliability and then exceeds them. From design to delivery, Spectrum is constantly innovating. We take our customers' needs seriously, giving you options for accessories and colors, and incorporating your feedback into new and improved products. No one stays abreast of the rapidly-changing demands of new technology like Spectrum. And we do it all without sacrificing durability, style, or functionality.

COLLECTIV8 CHARGING PILLAR™

Collect devices and safely charge them in this fully assembled pillar.

Devices
Chromebooks, Notebooks & Tablets

Product
55394

Dimensions
13.25"W X 17.06"D X 17.75"H

Bays
8 Bays: 11"W X 14.93"D X 1.96"H

- Powder-coated, heavy-gauge steel construction
- All-metal cord management
- Locking door (optional)
- Brick storage is easy to access, and large enough for most sized bricks
- Fits under standard-height cabinets
- Non-skid feet to protect furniture
- Outlets will fit most charging systems
- Ships fully assembled
- ETL listed to UL60950-1 Standard
- Stackable or wall mountable with optional kits
- Power module (optional)
- Wall shroud kit for ADA (optional)

COLLECTIV8™ ACCESSORIES

Stacking Kit · Wall Hanging Kit · Power Module · Wall Shroud Kit · Security Door with Top Panel · Security Door · 3' Power Cord
