Use the vLT-15 Cart to store 15 full-size laptops where security and mobility is required. Padded shelves protect the laptops and vertical storage provides easy access to the laptops. Power cords hang over each bay for quick power management. Line voltage access is separated from the laptops access. Dual-bolt locks on the doors increase security of the laptops and keep students from the line voltage. The vLT-15 Cart is made with powder coated steel for security and durable, long-lasting finish. The 5-inch balloon wheels reduce vibration and roll easily over uneven floors.
