99023

99024

Note: Power Strips can be placed inside cord channels or mounted to the underside of the work surface. (Unless specified prior to installation, power strips will be placed inside cord channel)

Retractable Data Reel 99026

The new data reel provides access to hard to reach data ports.

- Retractable cable length is 15'
- Pigtail cable length is 3'
- RJ45 cable ends
- CAT5 standard un-shielded cable
- Case is 6 1/2" in diameter

20' Retractable Cord Reel 99001

This durable 13-amp cord reel provides a handy option for easily plugging in and storing cords.

- Easy to use and operate: pull cord out slowly. When click is heard, cord will lock in place. To release, pull cord out slowly until clicking stops. The lock will release and the cord can be guided back into the reel.

Power/Communication Module

99002

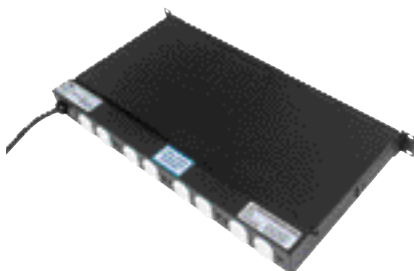

99003

Our UL-listed power and data outlet is housed in a steel case with a steel-hinged cover. It replaces the Grommet that comes standard with many of Spectrum's products. It contains two AC outlets, two network jacks, and an optional 5-pin XLR mic jack.

- **99002** - Power Communications Module with RJ45 Data Jack (with 5-pin XLR mic jack)
- **99003** - Power Communications Module with RJ45 Data Jack (without mic jack) - shown
- Base size for both units is 7 1/8"W x 3 5/8"D

9-outlet Rack Mount Power Strip 99021

This 15-amp Power Strip is UL listed, has 8 outlets on the rear and 1 on the front, and is made for rack rail applications.

- 8 circuit breaker-protected rear outlets
- 1 front convenience outlet
- Illuminated power switch
- Finished in durable black powder coat
- Takes up one rack space
- Features 168 joules
- 9' power cord
- overall dimensions are 19"W x 9"D x 1 3/4"H
