

LT15 Laptop Cart

The LT 15 Laptop Cart your solution for laptop management - one classroom at a time.

Horizontal storage and recharging for up to 15 laptops in a compact, mobile cart. The compact size makes it easy to move in and out of rooms and between desks and tables. Each laptop tray has its own outlet in an 15-outlet power strip. The power strip connects to a 20' retractable power cord, which helps reach power from wherever the cart needs to be.

For additional product information, technical specifications, or pricing please call 1-800-235-1262 or email spectrum@spectrumfurniture.com for assistance.
