

Tranquility Reception Furnishings

Tranquility furnishings were developed with the help of a respected healthcare organization. Designed for comfort and ease-of-use, Spectrum's Tranquility line provides an attractive, durable, high quality solution.

A perfect fit for offices, waiting rooms, and reception areas.

33065

Standard Reception Chair

With smooth edges, flowing lines, and an extra wide seating area this chair sets the standard for the entire line. Seating is a comfortable 22" wide between the arms and 18" off the floor.

33069

End Table

Designed to match the seating in every way.

33067

Standard Hip Reception Chair

This chair was designed to facilitate easy entry and exit for people with hip or leg problems. Seat height is 24" off of the floor.

33072 P

Large Bariatric Chair

Built with the same support and security as the standard size Bariatric chair, but wider. The seat height is 19 1/2" off the floor. Tested to 1000 pounds.

33070

Coffee Table

With matching laminate and stain on the solid oak edges and legs the occasional tables are a perfect fit.

33068

Standard Reception Bench

Built with the same sturdy construction as the rest of the seating line. Seat height is 18" off of the floor.
