

Doctorate Interactive Lectern

The Doctorate is dressed for success and ready to go to work.

Starting with accessible front and rear rack-rail, a pull-out locking drawer, and numerous options you can see why this lectern is ready to operate.

Finished with high quality features such as solid wood edges and surround, a stylish steel skirt, and an optional custom logo panel with your school, facility, or company logo on it.

Order information:

color	no cut-out	cut-out
Wild Cherry/ Black (CHB)	55244 CHBHD	55245 CHBHD
Indigo Organix/ Dark Gray (ID)	55244 IDHD	55245 IDHD
Vermont Maple/ Black (VB)	55244 VBHD	55245 VBHD

Doctorate Interactive Lectern:

55244
(work surface includes a 2" grommet, and 3/8" monitor arm mounting hole)

55245
(work surface includes cut-out and cover plate to fit Extron[®] Cable Cubby™ 800, a 2" grommet, and 3/8" monitor arm mounting hole)

Standard (S) features and benefits:

- **Designed for indoor use only!**
- Large work surface has ample room for work materials and electronic equipment. (see configuration explanation above)
- Solid hardwood surround lends privacy and a touch of elegance.
- Pull-out locking document camera drawer has a steel, vented bottom for convection cooling and secures valuable property
- The two instructor-side doors are clear acrylic for equipment monitoring. 2-point locks provide security by engaging steel rods into the top and bottom surfaces. When unlocked the doors can be opened and closed using the easy grip handle. Removable acrylic door panels allow quick access to peripherals without opening the door.
- Removable access panels on audience side. (shown on left with optional custom laser-cut logo 55141)
- Easy access to the back of rack equipment for wire management and other maintenance.
- Two 4" cable management holes are located on the top and bottom of the center divider to allow easy cord management between the top and bottom compartments
- Vent panels, one located on each end and four internally provide excellent convection cooling
- Four sets of standard front and rear rack rails have twelve 1 3/4" rack units each.
- The rack rails can be moved further inside the unit, if necessary, to accommodate larger knobs and plugs.
- A steel skirt hides the 3" locking casters while providing a high quality, finished appearance
- Meets or exceeds ANSI/BIFMA testing standards

Exclusive Doctorate Options (O):

(O) Clear Acrylic Security Panel 55246

The Security Panel separates the left and right side racks for better security and cord management.

(O) Pull-Out Locking Laptop Storage/Keyboard Tray 55247

Drawer front flips down with integral wrist pads. The locking drawer can be used for keyboards or to secure a laptop.

General Options (O): (all options listed in RED are installed by customer, instructions included)

- 55141 Custom-Cut Logo Panel (an upcharge and lead time will apply)
- 55142 Replacement Key Set for all doors (and camera drawer on current and later 2008 models)
