

COMPACT LECTERN

LINK Lectern™

Shape and style are very exclusive

Compact lectern with so many integration possibilities, the LINK Lectern adds a unique charm to the classroom.

The Link

Between instructor and technology

Charming and Effective

Easy Integration

- Audience side and instructor side locking doors simplifies integration
- Front and optional rear rack rail will manage all of your multimedia equipment
- Accommodates optional Overbridge Control Console™ (OCC)

Quality Design

- Front and rear door with double-bolt lock provides security and prevents tampering
- Both the front and rear doors have a 3/4" space at the bottom to exit cables when using the optional cord reel kit
- Instructor door has a smoked acrylic panel allowing use of remote control

Simply Functional

- Opens up easily and locks up tight when not in use
- Accommodates optional Overbridge Control Console™ (OCC)
- Comes with casters or toe-kick base
- Adjustable keyboard tray provides ergonomic comfort

Bench-Mark Construction

- Cabinet frame and doors are all steel construction protected by a powder coat finish
- Stylish, smooth corners provide a stylish feel and protect the cart and students
- Ventilation provides "chimney effect" airflow keeping equipment cool
- Hi-capacity heavy duty casters or twin wheels allow you to position the LINK wherever you need it most

Product ships mostly assembled
