Compact Lectern Item# 55212

Easy AV Integration

Simplify installation by adding AV equipment to the optional 16RU Rack Cube before integrating it into your lectern

Removable Panel

Locking and removable audience-side panel provides easy access to rack equipment and cabling

Branding and Customization

Add customized logos, colors or technology cutouts to create a workstation unique to you

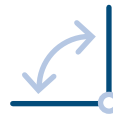

Small Footprint

24" depth fits into any classroom or learning space

Superior Ventilation

Built in ventilation provides "chimney effect" airflow keeping equipment cool

Optional Flip-Up Shelf

Each optional flip-up shelf adds an additional 15" of workspace but folds away when not needed
