Honors Lectern Item# 55178

Height Adjustability

Whisper-quiet, durable electric lift system raises and lowers in seconds

Easy AV Integration

Simplify installation by adding AV equipment to the optional 12RU Rack Cube before integrating it into your lectern

Small Footprint

Maximizes AV storage in the smallest of spaces

Pull-Out Keyboard Tray

Pull-out worksurface / keyboard tray supports a large keyboard and mouse

Security

Removable, locking audience-side panel and instructor-side door provide access to internal equipment

Branding and Customization

Add customized logos, colors or technology cutouts to create a workstation unique to you
