Connect36 Mobile Device Cart Item# 55423

Cable Management

Superior, all-metal overhead cord management system keeps charge cords organized above each bay

Large Capacity

Stores, charges, and transports up to 36 devices in large storage bays

Superior Ventilation

Ventilated doors and side panels keep devices and chargers cool, preventing overheating, and extending device life

Mobility

Four deluxe 5" balloon-wheel casters (two locking, two non-locking) provide easy rolling, and quiet transportation

Handle

Makes it easy to maneuver from classroom to classroom

Security

Double-bolt keyed lock on door and recessed padlock hasp on heavy-gauge steel panel and doors
