CHROMEBOOK STORAGE SOLUTION

User-Friendly Design

- Store and charge up to 40 Chromebooks up to 14"
- Deluxe 5" balloon wheels improve maneuverability and can be locked in place when needed
- Vertical storage and double doors provide easy access

Perfectly Sized

- Smaller footprint conserves classroom space
- Bay size and power outlet spacing allows for use with all Chromebooks
- Perfect capacity for larger K-12 classrooms

Safe & Secure

- Padded shelves protect devices from vibration
- Powder coated, heavy-gauge steel construction – one of the toughest carts on the market
- High-pressure laminate worksurface is impact- and scratch-resistant
- Dual-bolt lock and hasp deters theft

Conveniently Wired

- "No touch" 4-channel timer automatically directs power to devices most in need
- Power strips accommodate in-line adapters and wall plugs universally
- Removable wire and quick brick trays and large pass-through access simplify wiring
- Overhead charging cords are perfectly placed for connecting to devices
