NOTEBOOK STORAGE SOLUTIONS

Universal Design

- Store and charge up to 20 or 32 notebooks, Chromebooks, or tablets of any size
- Bay size and power outlet spacing allow for use with all notebooks and 15" Chromebooks
- Spacious bays accommodate larger devices and thicker batteries

Built to Protect

- Dual-bolt keyed lock and hasp for superior protection and security
- Powder coated, heavy-gauge steel construction for vault-like security. One of the toughest carts on the market
- High-pressure laminate worksurface is impact- and scratch-resistant
- Padded shelves protect devices from vibration

Intelligent Design

- PowerProdigy™ directs power to devices as needed
- Overhead low-voltage charging cords free up bay space for easy access
- Chimney-effect ventilation keeps equipment from overheating
- ETL Listed in US & Canada for the Cart & Electrical

So Easy!

- Small footprint fits into any classroom space
- Deluxe locking balloon wheels provide best-in-class mobility
- Pro32's double doors provide easy access to devices
- Removable QuickBrick™ trays simplify wiring
