Freedom One eLift Lectern

Item# 55542

Superior Ventilation

Built in ventilation provides "chimney effect" airflow keeping equipment cool

ADA Compatibility

Raise the lectern from 28.5 to 42 inches in seconds to accommodate any user.

Equipment Rack Options

Equipment Rack available in 32" (14RU) or 39" (18RU) heights to accommodate your AV needs

Branding and Customization

Customize your lectern to fit any decor with a variety of color options and add an optional logo panel for branding

Mobility

Locking twin-wheel casters make it easy to move your workstation throughout your classroom

Height Adjustability

Adjustable-height workstation easily adjusts between seated or standing-use heights
