

Technical Specifications

55559

Take your AV with you with the Companion Equipment Rack. This portable AV solution was designed to pair perfectly with the Pivot Premier workstation (or used by itself) and can go where you go. It provides 14RU for the instructor-side and can be doubled by adding the optional Rear Rack Rail Kit (68100).

Features and Benefits

- Freestanding rack provides 14RU on instructor-side
- Locking casters provide mobility
- Acrylic instructor-side door provides visibility and security
- Standard audience-side door with matching laminate insert panel makes rear AV access simple
- 2" side grommets provide easy cord routing
- Ventilated side and bottom panels keep equipment cool
- The optional Rear Rack Rail Kit (68100) provides an additional 14RU
- Warranted to be free of all defects in materials and workmanship for 10 years
- Designed and assembled in Chippewa Falls, WI, USA

Color Options

Available in Spectrum Expressions colors.
See spectrumfurniture.com for complete color information.

Ordering Instructions

Spectrum has designed this product to receive the useful options shown here.
To ensure your options are ordered correctly please call 1-800-235-1262.

Construction

- The worksurface is constructed from 1" thick composite board with .030" high-pressure laminate on one face, and a balancing phenolic backer on the opposing face
- Leg components consist of 7-gauge steel
- Worksurface edges are covered with 3mm vinyl
- All metal components are finished with a scratch-resistant powder coat epoxy
- Each Companion Equipment Rack is shipped KD (Knocked-Down) and requires assembly
