

Stack 4.0 Series Chair

An elegant solution for high capacity seating

Versatility, functionality, and durability combined in these portable, comfortable, stacking chairs.

DESIGNED FOR COMFORT

- Spacious seat provides comfort
- Contoured seat and sculpted backrest provide all-day comfort
- Small footprint supports high-capacity environments

BUILT FOR DURABILITY

- Robust construction
- Strong, welded, 15-gauge powder-coated steel legs
- Durable 250 lb capacity frame
- Protective non-marking floor glides
- 7-year warranty

STACK 4.0

- Reduces leg fatigue with "waterfall" front edge
- Promotes cooling air circulation with perforated backrest
- Includes built-in chair-to-chair ganging device
- Allows easy transportation and storage with optional dolly
