CONNECT24 MOBILE DEVICE CART

The Perfect Full-Featured Cart for Small Classrooms

Store, charge, and transport up to 24 large laptops, Chromebooks, or tablets in one of the smallest footprints on the market.

Small cart footprint saves valuable space and makes moving your cart effortless!

TECHNOLOGY DRIVEN

- Ventilated doors and side panels keep devices and chargers cool
- ETL recognized in the US and Canada for the cart and electrical
- Choose from 2 power management options:
Power Switch or eLogix Timer

DESIGNER APPROVED

- Numbered storage bays are separated with durable ABS plastic dividers to protect devices from scratching
- Small cart footprint (20"W x 25"D) saves valuable floor space
- Durable powder coat finish on steel chassis provides a long-lasting finish

INTEGRATOR INSPIRED

- Stores, charges, and transports up to 24 devices (most laptops, Chromebooks, and tablets up to 17")
- Overhead cord management system keeps charge cords organized above each bay
- Cart ships fully-assembled for quick, simple integration and deployment

SAFE AND SECURE

- Security through heavy-gauge, student-side door and instructor-side panel
- Door and side panel feature a padlock hasp for added protection
- Door has additional security with double-bolt steel lock (Padlock not included)
