

## Technical Specifications

44"W Desk	22860
36"W Desk	23211

44"W x 30"D

36"W x 30"D

Evolve your Esports Classroom! Bring Spectrum's quality build, wire management, height adjustability, and years of IT furniture development to the arena, with the Esports Evolution Desk! Engineered to enhance your game play, the Esports Evolution desk provides a quality build with a minimalistic design creating an ample field of play and superior ergonomics. Don't settle for an "at home" gaming table, take your team to the winners circle again and again with Spectrum Industries' Evolution Esports desk.

## Features and Benefits

- 44" and 36" wide versions create the perfect player space and maximizes arena capacity
- 30" depth allows plenty of room for peripherals and surface-mount CPU
- Height adjustable legs accommodate all gamers
- Scratch and impact-resistant high-pressure laminate top provides a durable, useful worksurface
- Durable powder coated steel chassis provides a long-lasting finish
- Continuous steel cord channel / modesty panel adds strength, keeps computer wires and cables out of the way, is wide enough for most power strips, and allows easy daisy chaining of desks.
- Legs located at edges of desk maximize leg room
- Connectable worksurfaces and optional accessories allow easy adaptation to Esports environments
- Full-length flip-top door for easy cable and wire-access
- Solid oak chair rail protects wires and cables, and the back of the desk
- Attractive steel insert panels
- Leveling glides keep desk level on uneven surfaces
- Matte black finish minimizes glare and player distraction
- Color accents match chairs and arena / team branding
- Optional flat panel monitor mount
- Desk ships "knocked-down" and can be assembled at the final location
- Warranted to be free of all defects in materials and workmanship for 10 years
- Designed and assembled in Chippewa Falls, WI, USA

## Color Options

Desk metal and worksurface laminate is black. Edgeband / chair rail accents available in black, green, orange, red, blue, and silver.

### Special Order:

Desk metal, worksurface laminate, and chair rail is black. Edgeband accents available in Hunter Green, Yellow, and Purple.

Black Hunter Green

Black Yellow

Black Purple

## Construction

- The worksurface is constructed from 1" thick composite board with .030" high-pressure laminate on one face, and a balancing phenolic backer on the opposing face
- Left, right, and student-side edges are finished with 3mm vinyl edgeband
- All metal components are finished with a scratch-resistant powder coat epoxy
- Worksurface support is 14-gauge steel
- Welded, 16-gauge 1" x 2" rectangular steel tube legs
- Bottom leg rail includes weld-nuts for attaching glides or wheels
- 20-gauge cord channel/modesty panel and leg insert panels
- Chair rail is ¼ #1 select maple, finished with a urethane top coat
- Evolution desks are shipped knocked-down (KD) and require assembly
